Re: Cranberry Run Station - MD-190
Cambridge Town Gas - MD-165
FMC Corporation - MD-017

Dear Mr. Lewis:

We are forwarding to you copies of the draft Site Inspections for the above referenced projects. To ensure the inclusion of your comments in any revisions, please have your staff review the report and provide their written comments to me by April 24, 1990. Any comments received after this date will be kept on file for future consideration.

As you know these draft reports should not be reproduced or released to anyone outside of your agency. When you have completed your review and provided your comments, please return the copy of the reports to me by certified mail.

If there are any questions concerning the reports, please call me at 215-597-8229. Thank you.

Sincerely,

Greg Ham
